ANCIENT TEXT

THIS IS A WRITING FROM THE ANCIENT CIVILIZATIONS OF VINDONIA: A LOVE POEM TO THE LAND. THE POET DESCRIBES THE NATURE HE SEES AROUND HIM AS A WOMAN WITH MANY CHILDREN, WHO LOVES HIM AND CARES FOR HIM. RANDU SCHOLARS CAN STILL READ SOME OF THE OLD LANGUAGES.

STONTLEDON FUR

THIS IS THE FUR OF A STONTLEDON, JUST AS WARM AND SOFT AS ITS HEART. VINDONIANS WILL HARVEST THEIR FUR AND USE IT FOR BEDDING OR SPIN IT INTO YARN FOR CLOTHING, AND THE STONTLEDONS ARE ALWAYS ITCHING FOR A GOOD BRUSH DOWN.

OHUNAM SAP

THIS IS THE SAP OF THE OHUNAM TREE, ITS ENTIRE SURFACE IS COVERED WITH AN OIL BASED SAP MAKING IT IMPOSSIBLE TO CLIMB, BUT THE IDEAL NESTING GROUNDS FOR ANY CREATURE WORRIED ABOUT THEIR EGGS BEING STOLEN BY A GNINU. THE SAP IS ALSO A COMMON SALVE FOR MINOR WOUNDS WHICH QUICKENS HEALING AND EASES PAIN.
